

Please Wear a Mask

All stylists and guests are required to wear a mask in the salon. Masks are to be worn throughout the entire service

Safety Check-ins

Will be required upon entering the salon to make sure all guests are symptom free and have not been in contact with anyone sick in the past 4 days

*Waiting room is temporarily
closed*

Limiting crowded spaces makes it safer for everyone. Please wait outside or in your car until your stylist is ready for your appointment to begin.

Guests only

To maintain personal distancing, please come alone to your appointment.

Keeping a safe distance

We will maintain a safe distance between all stations and processing chairs. Social distancing will also be followed at the shampoo bowls

Cleaning & sanitation

All stations, tools, and products are being thoroughly cleaned and sanitized between each service.

Stylist safety check-ins

To assure that every salon staff member is symptom free and has not come in contact with someone who is sick in the past 14 days

Sanitize together

We will provide hand sanitizer / hand washing stations for both clients and staff. We invite everyone to sanitize their hands before and during their appointments

Our staff at salon Cachet....

We take disinfection and maintaining sanitation in the salon very seriously to keep you safe. After every client we sanitize all surfaces including brushes, combs, hot tools, scissors, chairs, handles and trolleys.

Temperature checks are provided to anyone who enters the salon. Wearing a mask and sanitizing through out the day ensures everyone at Salon Cachet stays safe and healthy.

Thank you!

For your patience with us

**If you have any questions please don't
hesitate to give us a call**
